SOFT CLOSE

GENTLY | QUIETLY | SMOOTHLY

Elevate your Deco wardrobe with a Soft Close system

No more banging wardrobe doors when you choose our Soft Close system with your new Deco. This clever device automatically slows the wardrobe door as it reaches the wall, eliminating slams.

- Luxury performance at a budget-friendly price
- Enjoy a quiet, smooth close
- Protects hands and fingers
- Reduce the risk of mirror or door panel breakage caused by hard closes
- Available in framed, semi-framed, and frameless wardrobe designs

DECO WARDROBES with SOFT CLOSE AVAILABLE FROM:

Include the Soft Close option on your Deco system for a smooth, quiet close and a good sleep in. Talk to your Pivottech installer for details.
